STUDENT RULES

The children that attend summer camp are to expect respect, patience, courtesy, and caring from all staff. In turn, staff can expect the children to follow some specific rules. The following are the rules that you should review with your child before the first day.

Student Rules:

- Respect other children, staff, and property.
- Use inside voices.
- Keep your hands and feet to yourself.
- Sit on the chairs and not on the tables.
- Listen to all staff.
- Quiet down when counselors use the quiet signal.
- Always stay with a staff member. NEVER leave the room or area where the activity is without a staff escort.
- Adhere to rules regarding building and playground safety.
- Refrain from using foul language or other forms of verbal abuse.
- No fighting or other physical altercations.

If inappropriate behavior becomes consistent, a parent staff meeting may be required to develop a behavior plan. If the behavior does not cease, Summit reserves the right to suspend or terminate services.

If a child exhibits more severe behavior, such as fighting, verbal abuse, unprovoked physical altercations, endangering the welfare of others, assault, vandalism, running away from the program, hiding from staff or leaving the program area without staff supervision, a suspension of 3 to 5 days will be issued. If severe behavior continues upon returning to the program, services will be terminated.

POLICIES

Notification Policy

You are expected to notify Summit of your child's absence or early dismissal from camp as soon as you are aware that he/she will not be attending by calling or emailing our directors at 518-368-6338 or 518-225-3967

Check-In Policy

A Summit staff member will check-in your child at the facility each day and take their temperature.

Pick-up Policy

Parents or guardians picking up children must be registered on file with Summit, provide proper identification and sign out their child at the time of pick-up each day in the presence of a Summit staff person.

Sick Child Policy

Children who develop symptoms of illness, headaches, fever, stomach aches, vomiting, etc. will be allowed the opportunity to rest in an area away from the rest of the group, yet in full view of staff. You will be notified of their child's illness and be asked to pick up your child up as soon as possible. Your child may return to the program for 24 hours from the time he or she leaves the program or 24 hours after temperature is normal.

Severe Weather/Natural Disasters Policy

When the weather is severe enough to cause cancellation, you will be notified using the primary emergency contact phone number you provide.

In the event of a natural disaster or any occurrence in which the program cannot remain in Northway Bible Chapel, children will be escorted to our designated alternate location right next door at the Hair Salon (owner lives on-site) at 438 Moe Road. It is a short 50-yard walk (southbound across the parking lot adjacent to Moe). Parents will be notified after all persons are evacuated and relocated regarding pick-up instructions.

Evacuation Plan

In the event of an emergency where children and staff need to relocate, parents will be notified after all persons are evacuated and safe. Our primary evacuation site 438 Moe Road, right next door (south on Moe) in the Hair Salon.

POLICIES **(Continued)**

Finger Printing Background Check Policy

All summer camp staff are required by New York State law to be fingerprinted before their employment.

Discipline Policy

The purpose of discipline is to guide and assist children to resolve their own conflicts and to regain control of themselves. Each day, some children will have a difficult time following the rules or controlling their temper, etc. Minor behavior problems will be talked about with that child. We will ask the child if everything is okay. It may be that the child is just having a bad day. If, after speaking with the child, the problem does not subside, it may be necessary to redirect and separate the child until such time as the child regains self-control and can return to the group.

Redirecting and separating a child from their group is only be used as a last resort. Before and after every redirection and separation time, staff will talk with the child and be sure that they understand why they are being separated from the group. There are several guidelines that staff must follow when redirecting and separating a child:

- Use this procedure only when a child has a problem maintaining control.
- This procedure should be used as a time for a child to regain their composure.
- The separation area **MUST** be in full view of a staff person.
- Before and after this time, the child must be spoken with.
- Whenever a child needs to be redirected and separated, be sure to make a note of it in the logbook.

At times, behavior problems may become continuously disruptive or more serious. Examples of this type of behavior may include children physically hurting other children, property damage, continual fighting, verbal abuse toward staff, and constant use of abusive or foul language. In extreme situations, it may be necessary to remove a child from the program if the behavior does not improve. The Summit director will make this decision.

Communication Policy

It is our goal to keep you properly informed about the program and your child's progress. To achieve this, we provide you with this enrollment packet, post items of interest on the bulletin board for you to review, send an email or letter, and parent conference upon request. At times, we will send information home with your child.

As the child's parent or guardian, you are encouraged to observe the program and are welcome at any time. We also encourage you to bring your questions, suggestions and complaints to the attention of our directors.

POLICIES (Continued)

Payment Policy

All payments for each week of summer camp will be charged to the credit card or bank account on file 7 days prior to the week your child will be in care. A payment calendar is available for all parents to aid in understanding the amounts due each week along with registration and payment due dates.

If payment is denied from the account provided, we cannot guarantee care for your child for the week toward which the payment was intended.

If you have submitted payment for care but need to cancel and would like to receive a refund, you need to provide notice one week prior to the date of care that your child was registered. Any refund requests received after the above this time cannot be guaranteed due to staffing requirements and scheduling. **No reductions in payment are to be made after registration, unless a 10 day advance notice in writing is provided due to staffing schedules. Registration fees will not be refunded.**

Late Pick-Up Policy

In the event you find you are going to arrive after 6:00 pm, please contact Summit by calling (518) 368-6338 or 518-225-3967 immediately. A Summit staff person will remain with your child until you arrive. There will be a charge of \$10.00 if you arrive 5 minutes late. Every minute after the first 5, you will be charged a late fee of \$1.00 per minute, per child, with no cap. Just a few serious sunburns can increase a child's risk of skin cancer later in life. Since children in the Summit Camp regularly participate in outdoor and water related recreational activities, we strongly recommend adherence to the sunscreen policy.

1. All campers should wear sunscreen with a SPF of 15 or greater on all exposed skin daily.
2. Parents or legal guardians will be responsible for providing their children with enough sunscreen to take with them for later day applications. Children will not be allowed to use any other product or share. Please send one container per child with their name clearly indicated on the bottle.
3. If a child is to run out of their sunscreen at any time during the day, they will be able to use the Summit Sunscreen.
4. Children will need to be instructed by parent or guardian on how and where to apply the sunscreen.
5. Camp staff will routinely remind campers to apply their sunscreen.
6. Camp staff will be responsible for ensuring thorough follow-up applications after one hour in the water, after two hours of activity in the sun and any other time as needed. Camp staff may need to assist in the application of the sunscreen in the case the camper is not able.
7. Should camp staff need to assist in the application of sunscreen it will be done in the following manner:
 - Camp staff will confirm that a parent permission form has been signed.
 - Camp staff will use camper's sunscreen.
 - Camp staff will use protective gloves to apply sunscreen. A fresh pair of gloves per camper will be used.
 - Camp staff will do this in the presence of others and will not apply sunscreen to any area that a bathing suit covers.
