

Dear Summit Families,

We would like to inform you that ALL children and staff will be required to wear masks and that mask-wearing protocols will be enforced (full coverage of nose and mouth). Hand washing upon arrival to Summit is mandatory as well.

Extra precautions have been taken with our cleaning and sanitizing protocols by incorporating industrial strength cleaning products to potentially neutralize virus's on hard surfaces (door knobs, switches, counters, taps etc.).

Smaller groups of children per individual "center" at the facility have also been mandated as part of our social distancing protocol.

Due to limited capacity and excessive demand for care, we will only be accepting full time enrollments (5 days per week) at Summit although you don't need to use all 5 days; billing however remains the same.

Here's to a great & safe school year!

Thanks,

Tracey Fraser & the entire Summit Child Care team.
Celebrating 11 years of exemplary care!
